Life on a cargo ship

Life on a cargo ship is very regular. The crew always eats at the same time: breakfast at seven, lunch at twelve and dinner at six. They usually work eight hours a day. They sometimes have free time to watch films or play cards. The sailors hardly ever see their families — maybe twice a year. They often feel tired, but they are never bored because the sea is always changing.

A. Write **T** (true) or **F** (false).

1. The crew eats at different times every day. **F**
2. They usually work eight hours. **T**
3. They often see their families. **F**
4. They are never bored. **T**

B. Answer the questions in English.

1. How often do the sailors see their families?
   → **Maybe twice a year.**
2. What do they sometimes do in their free time?
   → **They watch films or play cards.**
