Superpowers of the sea

Sea animals have amazing abilities. Dolphins can swim at 40 km per hour and they can communicate with sounds. Octopuses can change colour and they can open jars. Sea turtles can live for more than 100 years, but they can't breathe underwater; they need to go to the surface. Some fish can fly for a few seconds over the water!

A. Write **T** (true) or **F** (false).

1. Dolphins can swim at 40 km/h. **T**
2. Octopuses can change colour. **T**
3. Turtles can breathe underwater. **F**
4. No fish can fly. **F**

B. Answer the questions in English.

1. What can octopuses open?
   → **They can open jars.**
2. How long can sea turtles live?
   → **More than 100 years.**
