Supplies for the ship

Before a long trip, the cook of a ship buys a lot of food. For a crew of 20 people and one month at sea, he needs about 200 kilos of rice, 300 kilos of potatoes, 100 litres of milk and 2,000 eggs. He also buys flour to make bread every day, a lot of coffee and some chocolate bars for special days. Fresh water is very important too; the ship makes its own water from the sea.

A. Write **T** (true) or **F** (false).

1. The cook needs 2,000 eggs. **T**
2. He buys bread every day at a shop. **F**
3. He buys chocolate for special days. **T**
4. The ship can make water. **T**
